October 1984

## PRESIDENTS REPORT

OCTOBER, 1984

The Annual General Meeting of the Association on 26 July started the 1984/85 year in a modest way, with a small band of dedicated people most of whom are now your committee members. I hope that their efforts will be appreciated in the coming season.

Three committee meetings have been held already, and planning for the season is essentially complete. In addition to the AGM, a pre-season dinner meeting was held in September. Some sixty members and friends attended, enjoying good food and company, and a talk by Will Hammond on trends in sailmaking. A motion was passed concerning attendance at committee meetings, and is now incorporated in the constitution.

Please make a note of the events and dates proposed for this season. In particular, I mention that the S & S 34 championships will be held on the long weekend of 2 - 4 March 1985, as a result of the decision made at the AGM. I recommend the dinner at Fremantle Sailing Club on 28 November - to welcome back Fred and Audrey Green - and the pre-christmas twilight event on 19 December, at the Perth Flying Squadron. Early bookings for the dinner will be essential, direct to F.S.C.

By the way, Chris Robinson is the social coordinator this year and can be contacted on 325 9288 (business) and 387 2076 (after 7.00 pm). Simon Walker (336 2131 a/h) is chairman of the Racing Subcommittee. As we are going through a non-controversial period of the Association, interest is somewhat lacking amongst members. However, there is work going on behind the scenes to organise the events you all expect, and we hope to get good support now that the season has started.

There is a lot of enjoyable sailing and socialising ahead of us. If you aren't a racer, join in the cruising events along with F.S.C.

See you out there.

ROGER PASSMORE  
President

Offshore Consistency Series

Foundation Race	22nd September	1984
Mandurah Race	17th November	1984
Gordon Hazelhurst	5th January	1985
Bunbury City Classic	25th January	1985
Bunbury & Return	9th February	1985
Stan West	30th March	1985

Championships 1985

After the notice sent out before the A.G.M. and the preferences counted, the championships will be held at F.S.C. over the March 2 - 4th long weekend. We hope this year to have a record fleet of 34's and make it the most successful yet.

Cruising In Company

John Mott is the cruising liaison person with F.S.C. and attends their monthly meetings. Their programme for this year is:

10 - 11	November 1984, Weekend Cruise - Mandurah
26	December 1984, Busselton Cruise
26, 27 & 28	January 1985, Yanchep/Two Rocks
16 - 17	February 1985, 30 Cruse Out and Back
2, 3, 4	March 1985, Rockingham/Garden Island
(Easter)	April 1985, Lancelin/Shark Bay Cruise

Bring your own salads.

Please advise Chris Robinson if you are coming;

- \* with boat,
- \* without boat,

and whether you;

- \* have room for others,
- \* would like a berth.

MARY'S STOP-PRESS NEWS

Fred Audrey Green (Coorong) returned to Fremantle on Saturday 22nd September after their 5 year trip, which took them on a circum navigation, including the America's Cup, and home again via Darwin, an all round trip of approximately 50,000 miles.

They experienced head winds since leaving Darwin, and had to cal into Yanchep for repairs, as the mainsail had torn away from the head board.

After speaking to Audrey for some time on the phone she said she would write an article for our next news letter. We have missed reading her interesting newsy letters, so will look forward to that. It is hoped that we can organise an evening with them as our guests in the near future.

They also caught up with Vic & Roz McFarland (Wild Rover) in Bowen, Queensland, Vic, is working on the flags, Roz is a new mum, son John being born on August 1st 1984. Congratulations to them both. (another little Kookaburra).

Also news of Garnet Gowley (Kameruka) he still has his boat in Gladstone, Queensland, and working on a fishing trawler.

Bill & Joan bone (Stray bit) after having their boat transported by road to Sydney, have had engine trouble, and been waiting for spare parts. They have been anchored in a bay somewhere enjoying life no doubt. Hope all goes will for them now.

---

Jon Sanders is doing the Sydney - Hobart race this year. Good Luck Jon.
