- Discussion:
 - With only 4 boats competing this last year, and the expectation that Perie Banou III is back racing, but with the loss of Soon to FSC, it is quite difficult to get a fair Overall result from 3 races only.
 - Recommendation is that as well as having the 3 combined Div2 Club races in the S&S34 Assoc. Swan River Series, we add the 4 (2 days) W/L races into the series (7 races in total). This gives the ability to allow 1 or 2 drops (2 drops allow for the loss of a whole day - W/L).

Commodores Race – FSC – Sunday 25th March 2018 (dates prescribed by the Australian Sailing WA Coastal Calendar) [LINK:](#)

- It would be good if the Association could provide information to FSC about the history of each of the trophies, as well as what each trophy is for; to ensure we don't have a stuff up like 2017.
 - Commodores Cup Perpetual Trophy – presented to the Commodore of the winning boat on handicap.
 - Walters Perpetual Trophy – presented to the owner of the winning boat on handicap.
 - Two Knot Trophy – presented to the Commodore of the slowest boat.
 - S&S34 Association place pennants presented to the Commodore & Owner of the 1st, 2nd, 3rd & fastest boats on handicap.
 - Wine – as per what FSC wants to do.
